QUALITY CHILD-CARE INVESTMENT TAX CREDIT
WORKSHEET INSTRUCTIONS

A taxpayer that has made an investment during the tax year toward the goal of providing quality child-care services is allowed a credit in an amount equal to the qualifying portion of expenditures paid or expenses incurred by the taxpayer for certified investments in child-care services. For corporations, the qualifying portion is 30% of up to \$30,000 of expenditures, apportioned if part of an affiliated group engaged in a unitary business. For individual taxpayers that expend at least \$10,000 during the tax year, the qualifying portion is \$1,000 each year for nine years and \$11,000 in year ten. The credit is limited to the income tax otherwise due, excluding minimum tax, but any excess can be carried over to the following year or years until exhausted. For purposes of this credit, the term corporation includes partnerships, LLCs, S corporations, financial institutions and trusts.

"Quality child-care services" is defined as services provided at child-care sites that meet minimum licensing standards and are accredited by an independent, nationally recognized program approved by the Department of Health and Human Services ("DHHS"), Office of Child Care and Head Start. The service provider must utilize recognized quality indicators for child-care services approved by DHHS, Office of Child Care and Head Start and include provisions for parent and client input, review of the provider's policies and procedures, program records and an on-site program review.

Only investments certified by the DHHS, Office of Child Care and Head Start qualify for this credit. To obtain an application for certification and an explanation of investments that qualify, visit the MRS web site at www.maine.gov/revenue/incomeestate/childcare.html, or call DHHS at (207) 287-9300.
